

Superintendent by the Board shall be appropriate to and consistent with the professional role and responsibility of the Superintendent.

2.2 **Professional Certification.** The Superintendent shall, during the term of this Contract, and any renewal or extension thereof, hold and maintain a valid certificate required of a superintendent by the State of Texas and issued by the State Board for Educator Certification or the Texas Education Agency and any other certificates required by law.

2.3 **Reassignment.** The Superintendent cannot be reassigned from the position of Superintendent to another position without the Superintendent's express written consent.

2.4 **Board Meetings.** The Superintendent shall attend all meetings of the Board, both public and closed, except for those closed meetings devoted to the consideration of any action or lack of action on the Superintendent's Contract, or the Superintendent's evaluation, or for purposes of resolving conflicts between individual Board members, or when the Board is acting in its capacity as a tribunal. In the event of illness or Board-approved absence, the Superintendent's designee shall attend such meetings. Further, the Superintendent shall provide recommendation(s) and/or information as to each of the items of business considered at each meeting as needed or requested by the Board.

2.5 **Criticisms, Complaints, and Suggestions.** The Board, individually and collectively, shall refer in a timely manner all substantive criticisms, complaints, and suggestions called to the Board's attention either: (a) to the Superintendent for study and/or appropriate action, and the Superintendent shall refer such matter(s) to the appropriate District employee or shall investigate such matter(s) and shall within a reasonable time inform the Board of the results of such efforts; or, (b) to the appropriate complaint resolution procedure as established by Board policies.

2.6 **Indemnification.** To the extent it may be permitted to do by applicable law, including, but not limited to Texas Civil Practice & Remedies Code Chapter 102, the District does hereby agree to defend, hold harmless, and indemnify Superintendent from any and all demands, claims, suits, actions, judgments, expenses and attorneys' fees incurred in any legal proceedings brought against Superintendent in the Superintendent's individual or official capacity as an employee and as Superintendent of the District, providing the incident(s), which is (are) the basis of any such demand, claim, suits, actions, judgments, expenses and attorneys' fees, arose or does arise in the future from an act or omission of Superintendent as an employee of the District, acting within the course and scope of Superintendent's employment with the District; excluding, however, any such demand, claim, suits, actions, judgments, expenses and attorneys' fees for those claims or any causes of action where it is determined that Superintendent committed official misconduct, or committed a willful or wrongful act or omission, or an act or omission constituting gross negligence, or acted in bad faith; and excluding any costs, fees, expenses or damages that would be recoverable or payable under an insurance contract, held either by the District or by Superintendent. The selection of Superintendent's legal counsel shall be with the mutual agreement of Superintendent and the District if such legal counsel is not also District's legal counsel. A legal defense may be provided through insurance coverage, in which case Superintendent's right to agree to legal counsel provided for him will depend on the terms of the applicable insurance contract. To the extent this Section 2.6 exceeds the authority provided and limitations imposed by Texas Civil Practice & Remedies Code, Chapter 102, it shall be construed and modified accordingly. The provisions of this Section 2.6 shall survive the termination of this Contract.

2.7 **Duties of Board/Governance.** The District is governed by the Board who, acting as a body corporate, (1) oversee the management of the district; and (2) ensure the Superintendent

implements and monitors plans, procedures, programs, and systems to achieve appropriate, clearly defined and desired results in the major areas of District operations. Unless authorized by the Board, a member of the Board may not, individually, act on behalf of the Board. The Board may act only by majority vote of the members present at a meeting held in compliance with Chapter 551 of the Texas Government Code, at which a quorum of the Board is present and voting. The Board shall provide the Superintendent an opportunity to present at a meeting an oral or written recommendation to the Board on any item that is voted on by the Board at the meeting. Governance includes management oversight of all major operations of District. The Board acknowledges that "management oversight" is not management itself. It is instead ensuring that the Superintendent implements and monitors plans, procedures, program and systems to achieve appropriate, clearly defined and desired results in the major areas of district operations including: the establishment and/or modification of policies, strategies and principles that govern the District; reviewing and voting on recommendations submitted by the Superintendent; reviewing the results of management decisions and modifying policies, strategies or principles on the basis of those results; and analysis of data, including audits, that enable the Board to hold the Superintendent accountable for effective management of the District. The Board expressly acknowledges that "management oversight" is not: intervention in personnel disputes; direction of day-to-day activities, management, or management decisions; and advocating a product or service, or denigrating a product or service. The Board also recognizes that it is a collective body and each Board Member recognizes that his or her power as a Board Member is derived from the collective deliberation and action of the Board as a whole in a duly-constituted meeting and that there is no individual authority to give direction to the Superintendent or any District staff member regarding the management of the District or the solution of specific problems. Board members acknowledge that they have the same rights and responsibilities related to management of the District and its staff as any other citizen of the community.

III. COMPENSATION

3.1 **Salary.** The District shall provide the Superintendent with an annual salary in the sum of ONE HUNDRED EIGHTEEN THOUSAND FIVE HUNDRED AND 00/100 Dollars (\$118,500.00). The Superintendent's salary may be increased by an amount that is mutually agreeable to the Board and the Superintendent so long as the increase is consistent with the requirements of applicable law. This annual salary rate shall be paid to the Superintendent in equal installments consistent with the Board's policies.

3.2 **Salary Adjustments.** At any time during the term of this Contract, the Board may, in its discretion, review and adjust the salary of the Superintendent, but in no event shall the Superintendent be paid less than the salary set forth in Section 3.1 of this Contract except by mutual agreement of the two parties. Such adjustments, if any, shall be made pursuant to a lawful Board resolution. In such event, the parties agree to provide their best efforts and reasonable cooperation to execute a new contract incorporating the adjusted salary.

3.3 **Vacation, Holiday and Personal Leave.** The Superintendent may take, at the Superintendent's choice, the greater of (i) ten (10) days of vacation annually or (ii) the same number of days of vacation authorized by policies adopted by the Board for administrators on twelve-month contracts, the days to be in a single period or at different times. The vacation days taken by the Superintendent will be taken at such time or times as will least interfere with the performance of the Superintendent's duties as set forth in this Contract. Vacation days accrued during the contract term shall accumulate and carry forward from year to year during the term of this Contract. At the end of each year of the term of this Contract, in the Superintendent's sole discretion, the District shall pay in a lump sum to the Superintendent any unused vacation days that were accrued during

the contract term at the Superintendent's daily rate of pay as of the payment date. At retirement, or when the Contract is terminated, either voluntarily or involuntarily, the District shall pay in a lump sum to the Superintendent any unused vacation days accrued during the contract term at the Superintendent's daily rate of pay as of the payment date. The daily rate shall be calculated by dividing the Superintendent's TRS creditable compensation by 226. The Superintendent shall observe the same legal holidays as provided by Board policies for administrative employees on twelve-month contracts. The Superintendent is hereby granted the same personal leave benefits as authorized by Board policies for administrative employees on twelve-month contracts, except that the Superintendent, at her discretion, may utilize all accrued but unused leave days to be taken in a single period or at different times during the term of this Contract. Use of vacation days earned by the Superintendent prior to the Contract Term shall be used consistent with state and federal law and board policy. Vacation days accrued prior to the term of this Contract shall not be eligible for reimbursement.

3.4 Insurance. The District shall pay the same premiums for hospitalization and major medical insurance coverage for the Superintendent as it does for other administrators on twelve-month contracts, pursuant to the group health care plan provided by the District for its administrative employees.

3.5 Professional Growth. The Superintendent shall devote the Superintendent's time, attention, and energy to the direction, administration, and supervision of the District. The Board, however, encourages the continued professional growth of the Superintendent through the Superintendent's active attendance at and participation in appropriate professional meetings at the local, regional, state and national levels. The Board shall encourage the use of data and information sources, and shall encourage the participation of the Superintendent in pertinent education seminars and courses offered by public or private institutions or by educational associations, as well as the participation in informational meetings with those individuals whose particular skills, expertise, or backgrounds would serve to improve the capacity of the Superintendent to perform the Superintendent's professional responsibilities for the District. In its encouragement of the Superintendent to grow professionally, the Board shall permit a reasonable amount of release time for the Superintendent as the Superintendent and the Board deem appropriate, to attend such seminars, courses or meetings. The District shall pay the Superintendent's membership dues to the American Association of School Administrators and the Texas Association of School Administrators, as well as other memberships necessary to maintain and improve the Superintendent's professional skills. The District shall bear the reasonable cost and expense for registration, travel, meals, lodging, and other related expenses for such attendance and membership.

3.6 Civic Activities. The Board encourages the Superintendent to become a member of and participate in community and civic affairs, including the chamber of commerce, civic clubs, governmental committees, and educational organizations. The Board concludes that such participation will serve a legitimate purpose related to the educational mission of the District. The Superintendent may hold offices or accept responsibilities in these professional organizations, provided that such responsibilities do not interfere with the performance of his duties as Superintendent. Prior to engaging in these activities, the Superintendent will notify the Board in writing of the activity. The Board will notify the Superintendent if the activity presents a conflict or interferes with the performance of her duties as Superintendent. The District shall reimburse the Superintendent for the cost of membership in all local civic organizations in which the Superintendent participates and related travel outside of the District, subject to advance Board approval.

3.7 **Outside Consultant Activities.** The Superintendent may serve as a consultant or undertake speaking engagements, writing, teaching or other professional duties and obligations outside the District (referred to collectively herein as "Consulting Services") that do not conflict or interfere with the Superintendent's professional responsibilities to the District. The Superintendent may accept a reimbursement of expenses for such Consulting Services at no expense to the District. Consulting Services provided by the Superintendent under the terms and conditions of this paragraph must be consistent with state and federal law.

3.8 **Expenses.** The District shall pay or reimburse the Superintendent for reasonable expenses incurred by the Superintendent in the continuing performance of the Superintendent's duties under this Contract. For Business related travel the District agrees to pay the actual and incidental costs incurred by the Superintendent. Such actual or incidental costs may include, but are not limited to, gasoline, hotels and accommodations, meals, rental car, and other expenses incurred in the performance of the business of the District. The Superintendent shall comply with all procedures and documentation requirements in accordance with Board policies. The District shall provide the Superintendent with access to an automobile for business and incidental personal use. The District shall pay all automobile maintenance and operating expenses arising from the business use of the automobile and maintain an automobile liability insurance policy on the automobile with the Superintendent as the named insured. Should the Superintendent elect to use her own vehicle in the continuing performance of the Superintendent's duties under this Contract, instead of the District vehicle, the District shall pay or reimburse the Superintendent for reasonable documented expenses incurred by the Superintendent for such use in accordance with this paragraph.

3.9 **Mobile Telephone.** The Superintendent shall maintain a personal account for mobile telephone service and shall not open an account in the name of the District. The Superintendent shall have total responsibility for payment of such personal account and the District shall have no obligation or responsibility related to said mobile telephone account. The Superintendent understands that information stored in her cell phone, computer or other device is subject to public disclosure if such information is related to the public business of the School District or to her duties as Superintendent. Notwithstanding the location of personal data on the cell phone, computer or other device, whether owned by the District or Superintendent, the parties agree that any personal or private information of the Superintendent contained on the cell phone, computer or other devices containing such data or information shall be deemed private and the Superintendent's sole property; provided it shall be the responsibility of the Superintendent to assert, and to bear any costs of asserting, privacy or other confidentiality privileges or rights as to any such data or information.

3.10 **Retirement Supplement.** For performance of Superintendent duties, the District shall supplement the Superintendent's salary by an amount equal to \$5,500.00 (five-thousand five hundred dollars and zero cents) annually during the Term of this Contract, including any extensions thereof. This additional salary supplement for services rendered shall be paid to the Superintendent in regular monthly payroll installments and shall be reported as "creditable compensation" by the District for purposes of TRS, to the extent permitted by TRS.

3.11 **Benefits.** In addition to the benefits expressly set forth herein, the District shall provide other benefits to the Superintendent as provided to District employees by state law and Board policies. The Board reserves the right to amend its policies at any time during the term of this Contract to reduce or increase the benefits not expressly provided herein, at the Board's sole discretion.

IV. ANNUAL PERFORMANCE GOALS

4.1 **Development of Goals.** The Superintendent shall submit to the Board a preliminary list of goals for the District each year for the Board's consideration and adoption. The Superintendent and the Board shall then meet, and the Board shall approve or revise the list of goals. The Superintendent shall submit to the Board for its approval a plan to implement the goals. The Superintendent and the Board shall meet biannually to assess the goals and may adjust or revise the goals either by action of the Board or upon recommendation of the Superintendent and approval of the Board. The goals approved by the Board shall be reduced to writing ("District Goals") and shall be among the criteria on which the Superintendent's performance is reviewed and evaluated. The District Goals approved by the Board shall be specific, definitive and measurable, to the extent feasible. The Board agrees to work with and support the Superintendent in achieving the District Goals.

V. REVIEW OF PERFORMANCE

5.1 **Time and Basis of Evaluation.** The Board shall evaluate and assess in writing the performance of the Superintendent at least once each year during the term of this Contract. The Board's evaluation and assessment of the Superintendent shall be reasonably related to the duties of the Superintendent as outlined in the Superintendent's job description and shall be based on the District's progress towards accomplishing the District Goals.

5.2 **Confidentiality.** Unless the Superintendent expressly requests otherwise in writing, the evaluation of the Superintendent shall, at all times, be conducted in executive session and shall be considered confidential to the extent permitted by law. Nothing herein shall prohibit the Board or the Superintendent from sharing the content of the Superintendent's evaluation with their respective legal counsel.

5.3 **Evaluation Format and Procedures.** The evaluation format and procedure shall be in accordance with the Board's policies and state and federal law. If the Board determines that the performance of the Superintendent is unsatisfactory in any respect, it shall describe in writing, in reasonable detail, specific instances of unsatisfactory performance. The evaluation shall include recommendations as to areas of improvement in all instances where the Board deems performance to be unsatisfactory. A copy of the written evaluation shall be delivered to the Superintendent. The Superintendent shall have the right to make a written response to the evaluation. That response shall become a permanent attachment to the evaluation in the Superintendent's personnel file. Within sixty (60) days of the delivery of the written evaluation to the Superintendent, the Board shall meet with the Superintendent to discuss the evaluation. The Board shall devote a portion of, or all of, one executive session annually to a discussion of the working relationship between the Superintendent and the Board. If the Board deems that the evaluation instrument, format, and/or procedure is to be modified by the Board and such modifications would require new or different performance expectations, such modifications must be adopted with input from the Superintendent and the Superintendent shall be provided a reasonable period of time to demonstrate such expected performance before being evaluated.

VI. EXTENSION OR NONRENEWAL OF EMPLOYMENT CONTRACT

6.1 **Extension/Nonrenewal.** Extension and/or nonrenewal shall be in accordance with Board policy, Texas Education Code Chapter 21, Subchapter E, and applicable law.

VII. TERMINATION OF EMPLOYMENT CONTRACT

7.1 **Mutual Agreement.** This Contract may be terminated by the mutual agreement of the Superintendent and the Board in writing upon such terms and conditions as may be mutually agreed upon.

7.2 **Retirement or Death.** This Contract shall be terminated upon the retirement or death of the Superintendent.

7.3 **Dismissal for Good Cause.** The Board may dismiss the Superintendent during the term of the Contract for good cause. - (a) Failure to fulfill duties or responsibilities as set forth under the terms and conditions of this Contract;
- (b) Incompetence or inefficiency in the performance of required or assigned duties as documented by evaluations, supplemental memoranda, or other written communication from the Board; provided, however, the terms and conditions of this paragraph shall not justify good cause unless the Board has provided the Superintendent a reasonable opportunity to remediate any incompetency or inefficiency;
